Daisen/A Walk in the Bright Forest of Daisen

Walk in the forest of beech and water while listening to the sound of the babbling water!

Feel refreshed by the fantastic sunlight that comes through the leaves of the trees. Listen carefully to the babbling of the mountain stream. Color, sound, and air! Fully awaken your five senses for this special experience. Tea made with delicious water and local sweets will be served.

Experience in Daisen Forest Walk

① Lecture of Plants/Creatures in the Forest

Daisen forest is home to various flora and fauna. Stroll through the forest while listening to the guide's explanation about the trees, flowers, and creatures that are rare in the city.

② Tea Break by a Clear Stream

We will prepare hot water boiled using "Delicious Daisen Water" created by beech forests. You can have tea brewed with it and local sweets.

③ Enjoy a Relaxing Time

Awaken your senses and walk through the forest to listen to the sound of a clear stream, birds singing, and winds blowing, and feel the smell of trees so you can enjoy a relaxing time.

④ View from a Mountain Pass (option)

Enjoy the view from Kagikake Pass with Daisen's seasonal beauty and the scenery spreading at the foot.
